

**Building
Homes.
Building
Hope.**

Winter, 2008

Dear Prospective Volunteer:

For the 14th consecutive year, Habitat for Humanity Windsor-Essex is gearing up to build homes in our community. We are adding to the 41 homes we have built over the past 13 years with two more homes on St. Luke Road to be built throughout a three week **Build** from May 31st to the June 20th. This occasion is sure to be as exciting as it has been in the past.

Volunteers are the heart of Habitat for Humanity, and we rely upon your efforts to help us carry forth our mission. We are asking for your time and volunteer efforts to assist us in making this build a success. Enclosed is an application package for you to complete and return to the affiliate office.

We request that all applications and waivers be **received** by our office no later than **Monday, April 14th, 2008**. Volunteer scheduling requests will be accommodated in the sequence they are received by our office. You may choose to either fax, mail, or deliver your completed application package to us in person. Once the scheduling is completed, you will receive a confirmation package in the mail outlining your individual schedule. Please note that it is possible that you may be scheduled for one or all of the dates that you indicate in your application.

Thank you for your continued support in helping to eliminate substandard housing in our local community. If you have any questions, please feel free to contact me at (519) 969-3762 ext 23.

Sincerely,

Shannon Rizok
Resource & Volunteer Coordinator
